Belconnen Community Service (BCS) delivers a range of programs and services across the ACT designed to fit with your NDIS plan. We can offer you and your family a growing range of services such as:

**Individual Lifestyle Services** – we can provide you with a range of personalised services to enhance your lifestyle. This can include personal care and other daily personal activities, house and yard maintenance, assistance to attend sporting, family and other events or social activities, or lifestyle planning.

**Art, Recreation and Social Programs** – we can provide you with a wide range of individual and group based art classes such as drawing, painting, mosaics, and sculpture to name a few. We can also provide sporting and recreation programs through our fully equipped gymnasium, our sports hall (a great place to quench your competitive juices...or just play for fun!), and by assisting you to access other local sporting facilities. We also have a range of social programs and excursions for you to enjoy.

**Skill Development Services** – we can provide you with tailor made services so you can develop the skills you need. This might include learning how to manage your finances, learning how to live more independently, and learning how to access what is in your community.

**Transport Services** – we can provide you with specialised transport to school, to work, or just so you can get out and about in Canberra and beyond.

**After School and Vacation Care** – we can provide after school and vacation care for both primary and secondary school students.

We would love the opportunity to meet with you and co-design a personalised suite of services to meet your goals, your way. You can contact us on 6264 0200 or email at ndis@bcsact.com.au
