About our Program

Radford College Outside School Hours Care aims to provide a safe, caring and educational environment that enables children to participate in play, recreational and relaxation experiences, interact positively with peers and adults, and develop life skills. We endeavour to provide an environment and experiences, which stimulate wonder and curiosity, respect and independence. Our educator to child is 1:11. Risk assessments for all activities and excursions are completed and available upon request.

About our staff

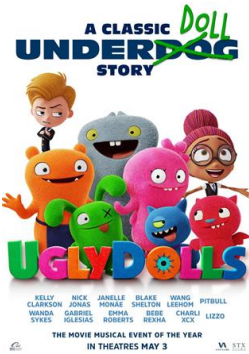

The program is staffed according to Service Approval issued by the Children's Policy and Regulation Unit. Taylor Woodward, Rachelle Hayward and Sammy Ristic are the qualified Coordinators for this program and at least one is on the premises at all times. They will be supported by experienced assistants, most of whom your children will know from After School Care. All staff members hold Working with Vulnerable People cards and a number hold a First Aid Certificate.

What to bring

As we do not provide food for the children, please supply all food for your child, including morning and afternoon snacks and lunch, as well as a drink bottle. **PLEASE DO NOT SEND FOODS CONTAINING NUTS.**

It is recommended children wear suitable clothes for play. All care is taken for messy activities (smocks provided) but no responsibility is held for soiled or dirty clothing as a result of play. Money and valuables are best left at home as no responsibility can be taken for children's personal items.
