Nutrition Australia ACT Inc has released their latest venture Betterbites™.

In light of the ongoing challenge in sourcing healthier food options in the ACT, we have decided to create a selection of our own healthier food options that meet the National Healthy School Canteen Guidelines. We make all of our products in our kitchen in Chifley and deliver directly to sporting clubs, canteens and food outlets in the ACT region.

Designed to become a sustainable business arm of NAAC, Betterbites™ has been created by our team of dietitians with expertise from valued volunteers to help get it up and started. All of our products have been tested in a canteen environment and have been well received amongst adults and children alike. The Betterbites™ website: www.betterbites.org.au

Nutrition Australia ACT Inc is also running a Menu Planning Workshop for canteen, managers/staff/volunteers. Details and online bookings can be made via the Nutrition Australia ACT Inc website: http://www.actnss.org/events/canteen-menu-workshop-2/mon-20-jun-2016-3-30pm-5-30pm

Do you have any issues with your school bus services?

APFACTS have a representative on the School Bus Liaison Committee which meets once a term. This group has representatives from the Education Directorate, Catholic Education, Association of Independent Schools and the ACT P&C. TAMS representatives include the Network Planning Officer, Director Public Transport, Schools Officer and Customer Service Managers. This committee is able to respond and act on feedback about the school bus service.

If you would like any matters tabled at these meetings please feel free to contact our office so that we can take action on your behalf.

We are always keen to hear from you,
