

## 2020 UMPIRING COURSES

Each year NCNC facilitate several courses for our umpires, but again, we encourage convenors/coaches/parents/players to consider attending to help build their knowledge and understanding of rules and how they are applied.

This year NCNC plan on facilitating the following courses:

	DATE   TIME   LOCATION	DETAILS
<b>INTRODUCTION TO UMPIRING</b>	Sunday 15 March 2020 9AM to 12PM Location: TBC	This Course is ideal to help build understanding for beginner umpires of how the rules apply to the game of Netball. It also provides understanding of the rules and a refresher for any umpire and coaches/convenors. The course is facilitated by experienced umpires, majority with State League Umpiring and Coaching experience. It allows for detailed rules discussions and questions to understand the right application of rules to the game
<b>TEAM UMPIRING COURSE</b>	Saturday 9AM from Round 1 (4th April) for the first 6 weeks of the competition. This incorporates a split round as well. Location: CNA Pavilion	This course focuses on different rules each week for 20 minutes. There is a workbook to help umpires work through rules and discussions. This is a great addition to the Introduction for Umpiring
<b>COACHING UMPIRES</b>	Sunday 8 March 2020 3PM to 4.30PM Location: CNA Pavilion	This session is designed to provide basics to Umpires/Convenors to help support umpire development within your own club. It will focus on how to coach and what to coach when you are new to the role of coaching or even have limited umpiring experience
<b>GAME MANAGEMENT</b>	Sunday 3 May 2020 2PM to 4PM Location: CNA Pavilion	This session provides key information to umpires into how to apply the game management protocols to the game when required. It aims to provide a good understanding of the process and talk through scenarios and the skills you can use to apply and manage the game when needed. This skill is key for all our umpires who participate in the Division 1 pool – Inters, Cadets, Seniors. However, we encourage any umpires who umpires Cadets or Seniors to attend.

If you are interested in attending any of the above courses, please email the Radford Sports Department – [Megan.Fritsch@radford.act.edu.au](mailto:Megan.Fritsch@radford.act.edu.au)
