About our program

Radford College Outside School Hours Care aims to provide a care and education environment that enables children to participate in play, recreational and relaxation experiences, interact positively with peers and adults, and develop life skills. We endeavour to provide an environment and experiences which stimulate wonder and curiosity, respect and independence. We also promote healthy behaviours including good hygiene, nutrition and respect for others and our environment.

About our staff

The program is staffed according to our Service Approval issued by the Children's Policy and Regulation Unit. Heidi Norton and Rachele Hayward are the qualified coordinators for this program and one is on the premises at all times during the program. They will be supported by experienced assistants, most of whom your children will know from After School Care. All staff members have undergone reference checks and have Working With Vulnerable People Cards.

What to bring

As we do not provide food for the children, please supply all food for your child, including morning and afternoon snacks and lunch, as well as a drink bottle. **PLEASE DO NOT SEND FOODS CONTAINING NUTS.**

It is recommended children wear suitable clothes for play. All care is taken for messy activities (smocks provided) but no responsibility is held for soiled or dirty clothing as a result of play. As activities will take place both indoors and outdoors, **please provide a Sun Smart hat, bucket or legionnaire's hat (no caps). Enclosed footwear and sleeved tops are compulsory.**

Money and valuables are best left at home as no responsibility can be taken for children's personal items.
