UNIFORM

Policy Code: Uniform/Students

Responsibility: DoSD

Last Updated: 8 April 2019

Due for Review: 1 June 2019

Accessible For: Staff | Students and Parents | External

1 Purpose:

The wearing of school uniforms by students assists the school community to:

Promote a sense of inclusiveness, non-discrimination and equity – students are known for who they are and what they do, not what they wear.

Recognise its student members.

Define the identity of the School within its broader community.

Promote school spirit.

Foster the School as an ordered and safe environment, where students gain an increasing appreciation of positive personal presentation.

Eliminate the risk of peer pressure to wear clothes which might be inappropriate, transitory items of fashion and/or expensive in nature.

Provide some quality control over the durability of clothing items.

Radford College aims to develop a sense of integrity and identity amongst its student community. Identity is about both the sharing of common experiences and character.

Uniform is part of the process of developing character as it provides space for the real person to 'show through' by eliminating some of the superficial 'image' aspects of growing up. The sharing of common experiences builds school culture and spirit.

The continued development of a positive school culture is an activity that must be carried out by each and every member of the school community each day. To not do so, risks a gradual and slow decline. While school uniform is but a part of the overall positive school culture at Radford College, it is a highly visible and symbolically important factor. Thus students, parents and staff must share responsibility for student compliance with good standards of school uniform.

Special or Commemorative Clothing Policy

From time to time staff and students will seek permission for ceremonial or special clothing. These occasions might include Year 6 and Year 12 Graduation Jumpers and special events clothing (e.g. Year 12 Revue, Dancefest).

This policy applies to any clothing that is not part of official College-approved uniform.

Any clothing that is ordered for Radford College students may proceed under the following general conditions:

Approval is required from the appropriate Head of School/Head of Co-curricular.

The clothing is not to be worn at Radford College.

The clothing may not use the College Crest or use the College name.

RADFORD COLLEGE

UNIFORM

The clothing is not to use the College colours of Maroon, Blue or Grey.

Particular or specialised sport specific squad clothing or special subject clothing (e.g. Hospitality aprons/caps) and clothing for Radford College tours can be college approved clothing after appropriate process. If approved, such items can only be worn within the context outlined in the approval process. In these cases, college colours and insignia may be approved for use.

The purpose of this Policy is to ensure that non-uniform clothing is not worn to school, to school carnivals, or to weekend sport, in lieu of the College uniform.

2 Application and Scope:

All students PK – 12.

Definitions:
