NOTES

Fee payment conditions

- Fees and charges are billed each term. These amounts are payable in advance by the end of the first week of each term.
- Families experiencing temporary financial difficulties should discuss payment options with the Finance Office before the due date. If a fee account remains unpaid after the third week of term, and the College has not agreed to a payment arrangement, the College reserves its right to take necessary measures.
- Overdue accounts may incur an administration charge. This charge will be applied monthly until the outstanding balance is paid in full, unless other payment arrangements have been made.

Notice of withdrawal

- The Principal must receive notice of withdrawal one school term in advance of the intended removal of a student. Where such notice is not received, a full-term's fee, including any additional charges accrued (plus GST), will be incurred.

Prepayment of tuition fees

- Tuition fees and the compulsory capital levy can be paid one year in advance only. No discount is offered for pre-payment. The pre-payment fees option is available to families following the release of the fee schedule for the student's commencement or next academic year. The due date for pre-payment of fees is Friday, 13 February 2026.
- The pre-payment amount will be applied at the commencement of each term.
- Should your child leave the school early, and provided the required notice is given, pre-paid tuition fees are fully refundable.
